Re: Talbot Brothers Property
Sunset Drive, Grenada, MS. Survey quote for 5 parcels approximately 3 acres each

Dear Benny:

I am happy to offer my services for the survey of five parcels of land according to the auction map you sent me. I can survey each parcel according to your instructions, set iron bars at all corners, and prepare plats and legal descriptions for a lump sum price of \$650 each.

I can begin within one week of notice to proceed. Payment is due upon delivery of the finished survey plat for each parcel.

Thanks,

Joe A. Sutherland, Jr. P.E.-P.S.
